Document no.: 418824

## **Karshenasi, Bachelor's Degree in Computer Engineering - Software**

Issued by: Shahid Satari University of Aeronautical Engineering (now: Shahid Satari Aviation University), Iran.  
Nominal length: 4 years.  
Year of completion: 1998.  
Access requirement: 12 years of schooling.

This is a higher educational qualification in computer engineering with an emphasis on software.

The programme includes subjects such as Engineering Probability and Statistics, Fundamentals of Computer and Programming, Discrete Structures, Advanced Programming, Machine Languages and Assembly, Algorithm Design, Microprocessors, System Design and Analysis, Design of Database, Computer Graphics as well as Software Engineering. The programme also includes practical training and a project.

**Assessment:** The qualification is comparable in level to a Danish Bachelor of Engineering in Software Technology (in Danish: en dansk professionsbacheloruddannelse til diplomingeniør - softwareteknologi).
