Karshenasi-Arshad, Master's Degree in Industrial Management

Issued by: Shahid Beheshti University, Iran.
Nominal length: 2 years.
Year of completion: 2004.
Access requirement: A bachelor's degree.

The higher educational programme in industrial management includes several subjects at advanced level such as Management Theories, Production Management, Management Information Systems and Organisational Behaviour Management. The programme also includes Management Accounting, Industrial Strategic Management as well as Inventory and Efficiency Management. The programme is concluded with a thesis.

Admission was based on a 4-year Bachelor's Degree in Computer Engineering – Software completed in 1998 in Iran (assessment available).

Assessment: **The qualification is comparable in level to a Danish master's degree (in Danish: en dansk kandidatuddannelse).**
