Ph.D. in Technology Management

Issued by: University of Tehran, Iran.
Nominal length: 3 years.
Year of completion: 2021.
Access requirement: A master's degree.

The research programme in technology management includes subjects such as Technology and Science Policies, Basics of Technology Development Strategies, Research Methodology in Technology Management as well as Innovation and Development of Technology and Economic Progress. The programme is concluded with a thesis.

Admission was based on a 2-year Master's Degree in Industrial Management completed in 2004 in Iran (assessment available).

Assessment: The qualification is comparable in level to a Danish Ph.D. Degree (in Danish: en dansk ph.d.-uddannelse).
